

UniStrong

E7738A1 HK version FIELD MOBILE WORKER

State and Local Government

UniStrong rugged phone raise the productivity levels of field-based government users involved in case work, records maintenance, inspections/appraisals, code enforcement, receipt/transfer of goods, and first response services.

Field Services

For field service professionals, UniStrong rugged phone are powerful productivity tools to access, enter and transmit up-to-the-minute data; communicate constantly; close sales deals and contracts; and analyze, report and act on data findings while in the field.

Security / Facility Management

Today's security operate in an increasingly complex environment. As service become more empowered through the anywhere availability of information, goverment must identify new ways to keep citizens engaged. In many cases there is more data available than ever before, but if it isn't readily accessible and up to date then its value cannot be fully realized. That's where UniStrong rugged phone come in. Designed for mobile environments and featuring security capabilities, UniStrong rugged phone are driving improved transaction times, more convenient, and improved the efficiency.

Construction

UniStrong rugged phone have proven ability to reduce construction project costs through real time access to information at the point of construction. We deliver solutions that integrate into existing work patterns and systems.

System	
Operating System	Android 5.1
Hardware	
Platform	Qualcomm MSM8916 Quad-core 1.2G Hz
Network	TDD-LTE Band38/ Band39/ Band40/ Band41
	FDD-LTE Band1/ Band3/ Band4/ Band5/ Band7/
	Band8/ Band17/ Band20/ Band28
	GSM 850/ 900/ 1800/ 1900
	WCDMA Band1/ Band2/ Band5/ Band8
	TD-SCDMA Band34/ Band39
	CDMA 800
Memory	RAM: 2GB, ROM: 16GB
Screen	5.3 inch, 1280x720 HD, Sunlight Readable, 400 nit, 7H Hardness
Touch Panel	Multi-point Touch, support wet and gloved operation
Rear Camera	13M Pixels With Flash and Auto Focus
Front Camera	2M Pixels
Location	High Precision GPS
Bluetooth	Bluetooth 4.0 BLE
